比賽簡介 Competition Introduction

「社創．社區4.0」比賽是全港第一個以「社區」為本的學界社創比賽，它將創新與社區需要聯結起來。比賽旨在鼓勵學生使用創新思維及可行的技術，並結合科技解決已發掘到的社區問題。透過運用「設計思維，青年人將與政府、社區組織和市民一同實踐創新理念。

第二屆比賽以九龍城區作為探討的社區，以解決區內交通、環境衛生及公共空間為主題。參賽的51支學生隊伍是來自18區37所中學。入圍隊伍已製作15個原型來解決社區問題及準備作社區測試。

Social Innovation. Community 4.0 is the 1st community-based competition in town that bridges up innovation with community needs. It aims to encourage students to understand and tackle the identified community problems by using innovative and viable solutions with technology. By adopting the Design Thinking approach, youngsters will be able to actualize their innovative ideas in collaboration with the government, community organizations and citizens.

Kowloon City is the target district of the 2nd year of the competition, special concerns on Roadway Congestion and Safety, Public Space & Hygiene are addressed. 51 teams of students from 37 secondary schools of 18 districts joined this competition. 15 ideas were shortlisted for developing their prototypes to tackle the identified community problems.

目的 Goals
